The Complete Solution Providers
from Last 10 Years

Water and Waste Water Treatment
& Management,

Air and Radiation Pollution Control
Devices

Our Commitment

We are committed towards Achieving high levels of customer Satisfaction by ensuring cost effective and timely solutions.

Our services to clients have earned Us an impressive client portfolio and a reputation to be proud of.

We keep focusing on maintaining a true Partnership with our clients that Enables us to transform their business Ideas and concepts into reality.

Introduction

- Our Company established in 2017. We are in the manufacturing, supply & service providing for all type of Water Treatment Plants, Waste water Treatment Plants & Water Purification Systems, Air and Radiation Pollution Control Device and Medical grade Water Ionizer (Kangen Water).
- We are working with total team of 80 High skilled People. We are Patna (Bihar) based company, We provide our services at Pan India & also for export purpose.
- We have more than 1200+ clients in Corporate, Infrastructure, Hotel, Restaurant, Hospital Institutes, Universities, Public Place, School, Holly Place, Pharmaceuticals. Factories, Govt. sectors, IT companies & Industries.
- We provide after Sales services with Operation & Maintenance.

Core Value

- Provide high quality work at less than the market price
- Focus on reducing operating cost and project overheads
- We have team of hi skilled manpower
- Best it and ai based infrastructure
- Deliver project on time – guaranteed
- Promote make in India

Our Products

- Sewage Water Treatment Plant (STP)
- Grey Water Treatment Plant (GWTP)
- Effluent Water Treatment Plant (ETP)
- Ultra Filtration Plant/U.V. Plants
- Industrial & Commercial R.O. Plants
- Water Softeners
- Pressure Booster System
- Purified Water System For Pharma MFG/D. Plants
- Water Treatment Plants & Services
- EMF Pollution Control Devices (Emguarde)
- Alkaline Water Machine (Kangen Water Machines)

Why do you prefer us ?

- We are the best in waste water treatment Domain.
- Help to provide NOC and Water Report will be per CPCB, SPCB
- One to all work are providing Manufacturing, Installation, Testing, designing, Commissioning & Handover
- ISO certified. completion certificate. NSIC Certified
- Approved vendor as Mahindra, Tata, Shree cement, Airport Authority. After sales life time support
- One Year Warranty
- Most economical However provided branded items ▶
- Designing provided by inlet wastewater parameters. Costing provided by Client budget.
- All fabrication Work MS, SS FRP Coatings

MOST IMPORTANT: Capex cost is very less Operating Cost is very less
Sludge Generation is very Less No smell problem, no colour problem Very less area will be required, Less land footprint

Our Esteemed Client List and Work details - 1

Our Esteemed Client List and Work Details

SRNO.	COMPANY LOGO	CLIENT NAME	WORK PROFILE
1.		Capgemini Infotech Park Phase-III, Hinjewadi, Pune	Repairing and maintenance work MBR RO and WTP plant
2.		L & T Construction Construction of Terminal & Riverine Infrastructure at Guwahati Gateway Ghat, Assam.	Design, Supply, Installation, Commissioning of 100 m ³ /day Sewage Treatment Plant, water intake system & water supply & distribution system
3.		Vishvaraj Environment PVT LTD Maheshwari STP project, 42 Brick Field Akra Purotan Bazar, Tiner Pool Near Recreation Club Kolkata 700140 West Bengal	Design, Supply, Installation, Commissioning of 150 & 500 m ³ /day Sewage Treatment Plant based on MBBR Technology
4.		ITC Panchala (West Bengal)	ETP Erection & UASB Commissioning
5.		Indian Oil Corporation Limited (Bangalore, Karnataka)	STP installation and Commissioning
6.		JSW (Alibag, Gate)	ETP Operation & Maintenance Service

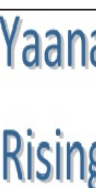

7.		Orchid Hotel 00, Samrat, Jamnagar, Gujarat - 361006	Design, Supply, Installation, Commissioning of 50 m ³ /day Sewage Treatment Plant
8.		Coromandel International Limited, Kakinada Beach Road Kakinada Andhra Pradesh, India	Design, Supply, Installation, Commissioning of 60 m ³ /day Sewage Treatment Plant.
9.		Crowne Plaza Pune Crowne Plaza Pune City Centre, Pune, Pune, Maharashtra - 411001	Design, Supply, Installation, Commissioning of 20 m ³ /day ETP & 100 KLD STP Plant.
10.		Nivea (Gujarat)	ETP & UASB Commissioning
11.		BGR Energy Systems Limited Environmental Engineering Division Gorakhpur, Uttar Pradesh	WTP, DM & CPU Commissioning
12.		KH Construction Aurangabad Smart City Office, Near Aamkhas Maidan,	Design, Supply, Installation, Commissioning of 200 m ³ /day Sewage Treatment Plant & 5 m ³ /day Effluent Treatment Plant.

		Aurangabad	
13.		KACHO BHUTIA CONSTRUCTION GOVERNMENT CONTRACTOR CIVIL & POWER CLASS I-AA, EAST SIKKIM Shipso, Jorethane, West Sikkim	WTP, DM & CPU Operation & Maintenance Service
14.		NDR TRADE HOUSE PRIVATE LIMITED Gut No 74, 76, 168P, 171P and 172 P Village Sudhavadi Taluka Mawal, Pune, Maharashtra-412109	Supply of MBBR technology fully prefabricated STP Plant
15.		Dayal Prime Builders PVT LTD 72 Near New Bus Stand Indri Road Village Baldi Karnal Haryana 132001	Design, Supply, Installation, Commissioning of 400 m ³ /day Sewage Treatment Plant based on SBR Technology
16.		PSP Project limited Dharoi Dam region Package-1 Dharoi Dam Campas Ta. Satlasana, Mehsana 384360	Organic Solid Waste Composter SITC of Centralized fully automatic organic waste composter
17.		Maharashtra Tourism Development Corporation (Pune Maharashtra)	WTP, STP Installation & Commissioning WTP, STP Operation & maintenance Service

When health matters you can trust on Japan

Kangen™ Water
Change Your Water – Change Your Life

**Alkalinized
Full of Antioxidants
Lightest Water of the Earth**

emGuarde

**Change your Environment – Change
Protect Your Family and
Yourself from Harmful
Radiation**

YOUR WATER IS CLEAN BUT NOT HEALTHY ?

DO YOU KNOW HEALTHY WATER HAS THREE UNIQUE PROPERTIES

Based on Japanese Research

In the **1950's**, scientist research was conducted in several unique locations around the world.

For thousands of years these places have maintained legendary status as a natural source of “**Miracle Water**”.

It was discovered that the “Miracle Healing Water” at all these locations had four thing in common...

Gangotri (India)

Hunza Valley (POK)

- Hydrogen - Rich
- High Alkalinity

Zam Zam (Mecca)

Nordenau (Germany)

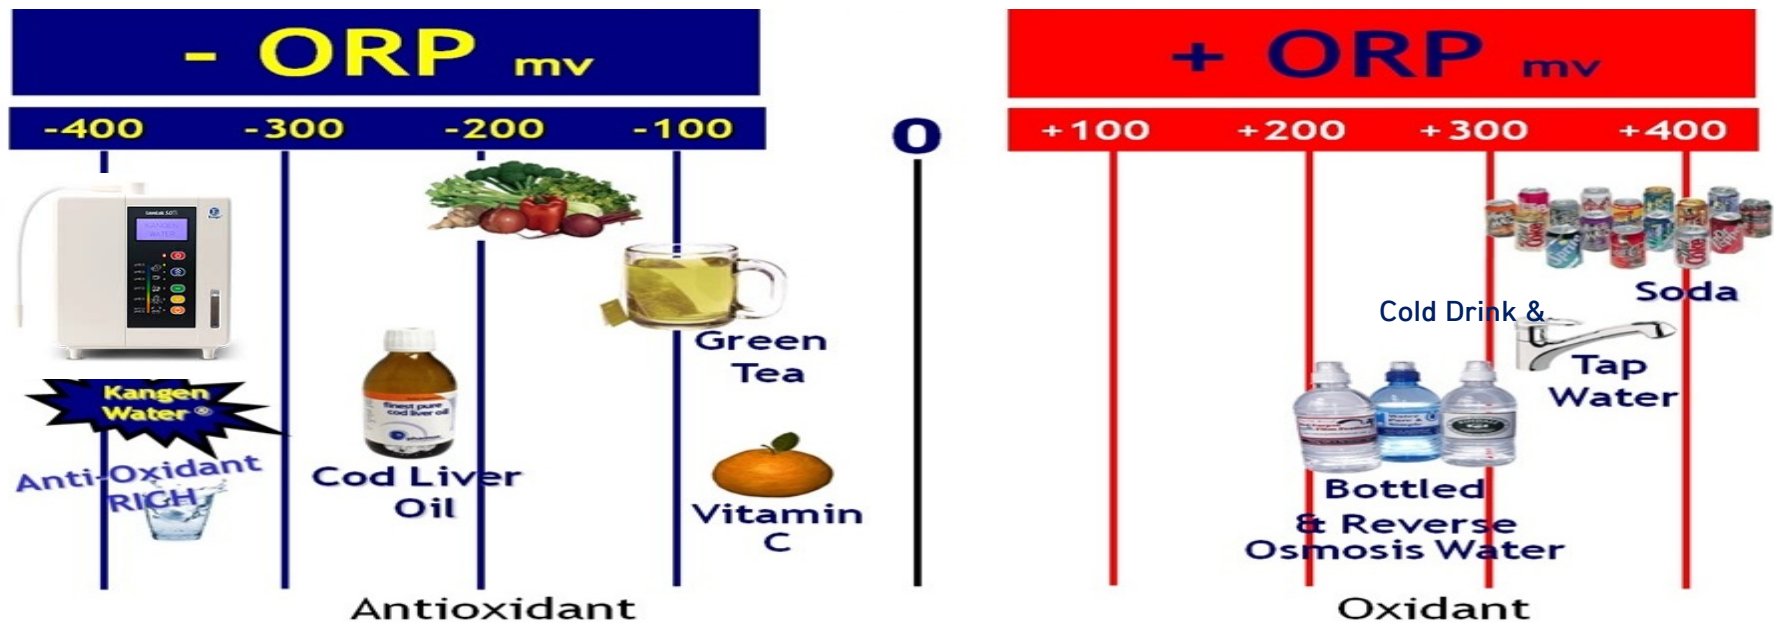

Lourdes (France)

Live Anti – Oxidation Test

(ORP = Oxidation Reduction Potential)

1 glass of Kangen Water

=

20 cups of Green Tea

=

1 Kg Blue Berries

=

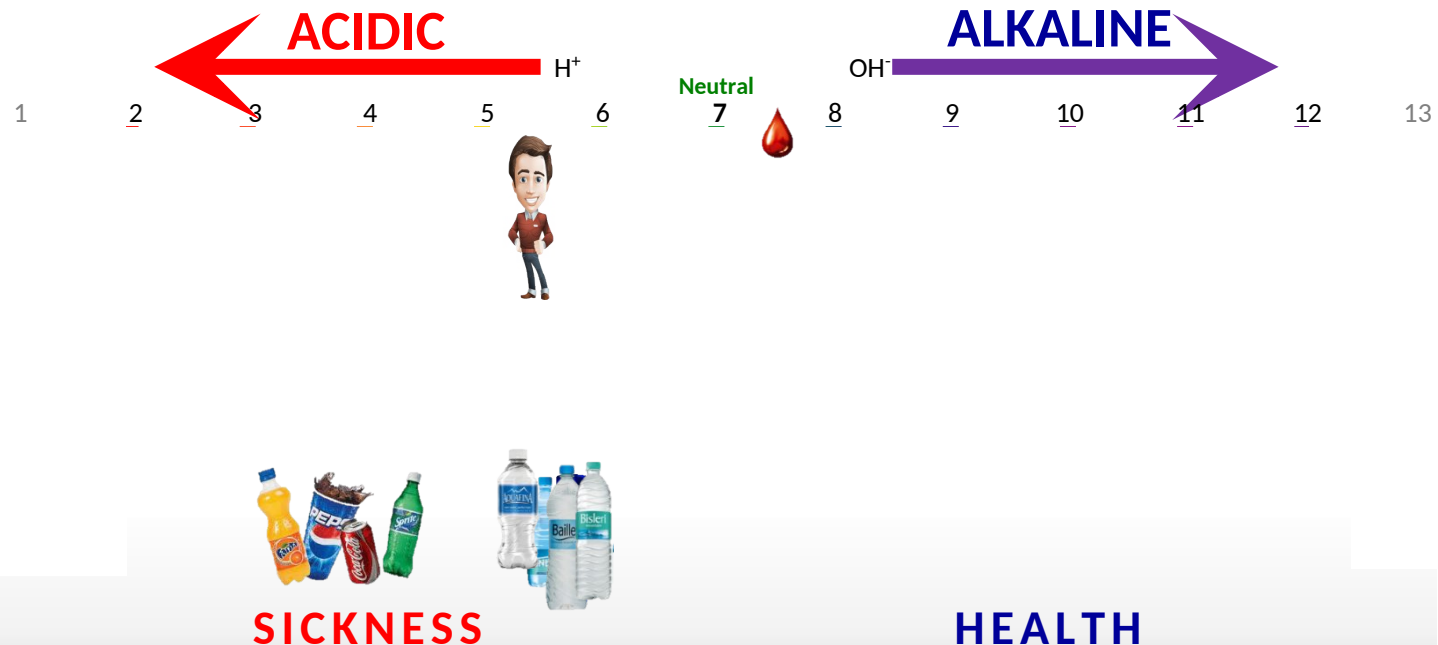

5 Kg Broccoli

More you have –ORP food and Water
Lesser chances of Having Lifestyle Disease

OUR WATER IS MORE **ACIDIC** THEN WE THINK

**No disease including cancer can survive on Alkaline Environment.
Cancer Tissues are Acidic and Healthy Tissues are Alkaline.**

-Dr. Otto Heinrich Warburg (NOBLE Prize Winner)

3. Micro-Clustered Water

Regular H₂O Cluster

15 - 20 Molecules

Large clusters have **limited**
absorption by the body

KANGEN™ H₂O Micro-Cluster

5 - 6 Molecules

Micro-clusters allow **fast and greater**
penetration with **easier absorption**

ENAGIC is Original Equipment Manufacturer

(Provides 100 % quality Assurance)

Enagic is the **ONLY** water ionizer manufacturer on the market to receive Gold Seal certification from Water Quality Association (WQA)

Enagic Japan Background

- ❖ 51 years old, Japanese Company
- ❖ Approved as a Medical Device by Japanese Health Ministry
- ❖ ISO 9001,14001, **ISO-13485 (Highest Standard for Medical Devices)**
- ❖ Tested and Certified by **WQA and recognized as per Gold Standard**
- ❖ Endorsement by Top Doctor Dr. Hiromi Shinya, American Anti Cancer Institute & Japanese Association of Preventive Medicine for Adult Diseases (JAPA)
- ❖ Recommended by over 6500 Doctors.
- ❖ **25+** years Product life expectancy, millions of unit sold till date.
- ❖ First used in about 200 Japanese Hospitals since 1974
- ❖ First Domestic unit was introduced in 1994, **Introduced in India in Feb 2016**
- ❖ Used by All top Leaders, Celebrities, Athletes and Doctors in Entire World for many decades.

Operational in more than 170 Countries -

USA, Canada, Mexico, Italy, Germany, France, Portugal, Korea, Taiwan, Hong Kong, Philippines, Singapore, Australia, Malaysia, Indonesia, Brazil, Russia,

DIFFERENT TYPES OF EARTH POLLUTION

Electromagnetic pollution is unique because it doesn't directly impact our senses. Unlike other types of pollution, you can't see, feel, smell, or hear it, making it hard to detect without using special equipment.

International Agency for Research on Cancer

PRESS RELEASE
N° 208

31 May 2011

IARC CLASSIFIES RADIOFREQUENCY ELECTROMAGNETIC FIELDS AS POSSIBLY CARCINOGENIC TO HUMANS

Lyon, France, May 31, 2011 -- The WHO/International Agency for Research on Cancer (IARC) has classified radiofrequency electromagnetic fields as possibly carcinogenic to humans (Group 2B), based on an increased risk for glioma, a malignant type of brain cancer¹, associated with wireless phone use.

Health Problems Related to EMF Exposure

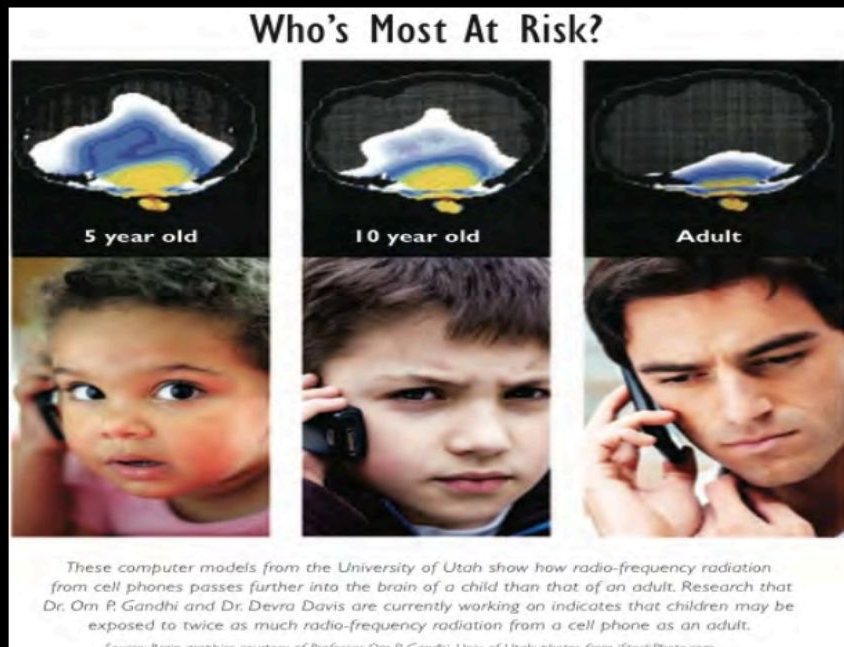

All Respondents

Please indicate the health problems you experience(d) and believe are related to EMF exposure. Check all that apply. N=871

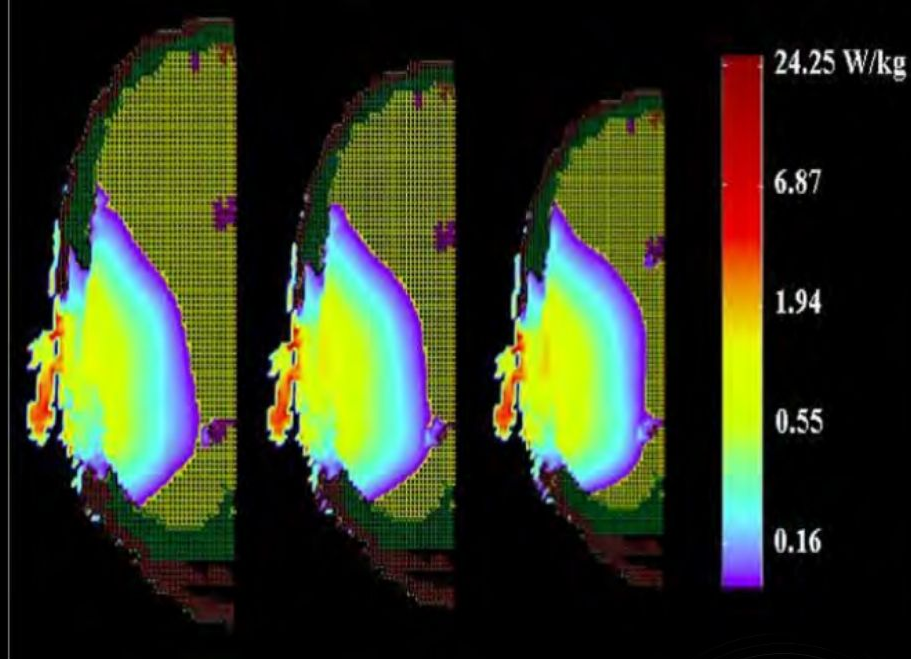

See link at the end of this report.

2-D modeling showed that children & smaller adults absorb more radiation than larger adults (1996, 2002)

Gandhi 1996 scaled relative absorption in child/adult, questioning whether the adult model adequately predicted child exposure

Gandhi and Kang 2002 confirmed proportionally greater absorption in smaller head

How emGuarde™ works

emGuarde™ utilizes harmonic frequencies to effectively suppress targeted electromagnetic noise radiation between 3MHz to 1000MHz within a 4-meter radius. This harmonizing method achieves a balanced atmosphere while preserving the natural ambient frequencies.

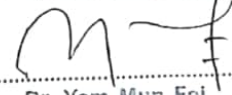

Appendix:
Test location pictures and setup.

	Residential area	Working office	Laboratories
1	 A photograph of a residential dining area with a wooden table and chairs. A red arrow points from the text 'emGuarde' to a device on the table. A red circle highlights the device, and a red arrow points from the text '6M' to it.	 A photograph of a working office with desks and computers. A red arrow points from the text 'emGuarde' to a device on a desk. A red circle highlights the device, and a red arrow points from the text '6M' to it.	 A photograph of a laboratory with various equipment. A red arrow points from the text 'emGuarde' to a device on a counter. A red circle highlights the device, and a red arrow points from the text '6M' to it.

Conclusion: The emGuarde Electromagnetic Noise Radiation Harmonizer successfully reduce unwanted electromagnetic noise waves between 35 MHz to 37 MHz, 71MHz to 73 MHz, and 107 MHz to 109 MHz in all test environment until a 6M coverage.

emGuarde

KEY FEATURES OF **emGuarde™**

Easy Integration

emGuarde™ can be effortlessly integrated into any space—home, office, or travel—providing consistent EMF protection wherever needed.

Coverage 8 Meters

Provides significant coverage area, ensuring a safer zone that promotes better sleep, reduced stress, and enhanced overall well-being.

Versatile Use - Type C

USB Type-C power supply ensures compatibility with modern power sources, such as USB adapters, power banks, and USB ports, making it versatile for use anywhere, including airplanes

One Device Big Coverage

emGuarde™ ensures a safe zone that supports better health and well-being for every family member—children, adults, and even pets—without the need for multiple units

Low running cost

Low power consumption 0.5W usage is compliant with energy-saving standards. Even turning on for 24 hours a day, emGuarde™ is designed and build to last for 5 years

Maintenance

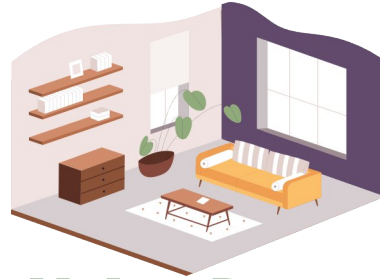

No battery replacements are necessary. Easy plug and play.
